## Referendum Called for May 19 in Validating 90c Grade School Tax

### Special Legislation Aids Schools Affected by Bensenville Case

The Antioch Grade school board of education is following the arrangements of other Lake county schools affected by the Bensenville case in setting May 19 for a referendum to validate a tax rate of 90 cents on the \$100 valuation.

The present rate is 91 cents. When the supreme court decided in the Bensenville case that the Butler law provided for graduated increases only, it became necessary for the legislature to protect all schools failing to do this by a special act.

The special law provides that they may validate their rate to the nearest step and in this case Antioch's was 90 cents. In reality it is a one cent reduction.

The referendum must be held before Sept. 1, and the board of education at its meeting April 10 decided to call the referendum locally at the same time the other schools do.

If the tax for education purposes is not validated, the district must go over the route of the Butler bill step by step with disastrous results. The school will not be embarrassed if the tax for education purposes is approved.

#### Same Board Members

There will be no change in the personnel of the board at its next meeting as the result of the recent election.

Emil R. Lubkeman was chosen president with 21 votes; two write-ins being for Edwin Stetten and E. D. Stettin. Charles Wertz and Harold E. Cardiff, incumbent board got 23 votes each.

## King and Queen to Reign At A.T.H.S. Fool's Frolic Saturday Evening, April 20

The all-school carnival, "Fool's Frolic," will be held at 8 p. m. Friday, April 20, in the A. T. H. S. gymnasium. Sometime during the evening the king and queen of the frolic will be crowned.

The candidates were nominated by the Clubs and an all-school election was held on Wednesday to determine the winners.

The candidates for king were: William Poulsen, A. Club; Lewis Place, F. F. A.; Boake Baird, Latin Club; and Jerry Quilty, Pep Club. The candidates for queen were: Arvis Ring, F. H. A.; Donna Martin, G. A. A.; Lorraine Bock, Latin Club; and Pat Weber, Pep Club.

These booths and concessions will be entered: A. Club—Basket Shooting, F. F. A.: Human Target, F. H. A. Ring the Coke Bottle; G. A. A. Milk-Bottle Throw, Fudge, and Pop Corn Balls; Latin Club, Oracle of Delphi; Pep Club, Balloons, Pie Eating Contest; Fortune Telling, Singing Telegrams; Student Council, Basket Roll; Freshman Class, Balloon-Darts, and Hucklebuck; Sophomore Class, Baseball in Milk Can, Vaudeville Show; Junior Class, Candy, Root Beer, Hot Dogs and Taffy Apples.

Ann McMillen is general chairman of the carnival, Jo Osmond is the chairman of Publicity, and Laura Ring and Charlene Nelson are chairmen of the booths. Robert Ruggles will assist with the setting up of the carnival. Miss Iris McKinney is faculty advisor.

## Downey Vets Hospital Needs Workers Badly

Downey Veterans Administration hospital is urgently in need of additional hospital aides.

No experience is required as the VA will thoroughly train all accepted Aides in their work. Starting salary for these positions is \$1.06 per hour for a 40 hour week. Additional salary is paid for night or holiday work.

Vacancies also exist for the following: Kitchen helpers \$1.02; General laborers and janitors \$1.02; Chauffeur and truck drivers \$1.08; plasterers \$2.90 p. a.; Engineer (Steam-Electric) \$3.125 p. a.; Guards (Vets only) \$2.450 p. a.; Carpenters \$2.900 p. a.; Male typists \$2.450 p. a.; stenographers \$2.650 p. a.; librarian \$3.100 p. a.; occupational therapists \$3.100 p. a.; dietitian \$3.825 p. a.; and registered nurses \$3.400 p. a. Hospital officials stated they would be in a position to provide board and room on the station for a charge of \$10.08 a week.

If interested in these positions applicants may write to the Personnel Officers, VA Hospital, Downey, Ill.

## Has Difficulty Telling Trucker of Load Loss

Leonard Roblin of Park ave., had to do some fancy driving last week in dodging tractor wheels scattered over the road ahead of him by a trailer truck bound for Milwaukee north of the village.

Roblin saw the doors of the truck open and the contents begin to fall out, he sped to notify the truck driver of his loss and encountered difficulties as the heavy tractor wheels fell out in front of his car.

## Barnstable Honored As "Coach of the Year" In Ky. Poll

Dale Barnstable, former Antioch high school basketball star, later a star with Service teams in Europe, and still later an outstanding star with the Kentucky University team, was honored still further by his selection as "coach of the year" in a poll of coaches, officials, sports-writers and sportscasters in Kentucky this year.

Dale is in his first year of coaching since his graduation from Kentucky, and this makes his selection even more impressive. During his first season, Coaching at Manual H. S., Louisville, Ky., he managed to compile a score of 30 games won to three losses, this is a school which had had a record for poor basketball teams.

In a feature story, published Mar. 25, in the Louisville Courier-Times, Johnny Carrice, sportswriter, had this to say about Barnstable:

"Recognition of the worth of the sincere industrious Barnstable is not limited to Manual only; his fellow coaches in Kentucky gave him the accolade of 'Coach of the Year' in The Courier-Journal's sixth annual poll.

The 26-year-old ex-University of Kentucky athlete lapped his nearest competitor, Letcher Norton of Clark County, in the voting by The Courier-Journal electorate of coaches, officials, sportswriters and sportscasters. Barnstable accumulated 35.1 per cent of the total vote while Norton was backed on 15.6 per cent of the ballots.

#### Selection is Unique

"Barnstable's selection for the honor is unique in that it marks the first time that the award has gone to a coach who is a 'freshman' in his profession. He graduated from Kentucky only last year after an honorable career with the Big Blue. Barnstable came fresh off the Lexington campus to rejuvenate a school whose basketball teams had been the subject of bad jokes for many years. He brought the Crimson's their first regional title in 15 years and missed a possible state championship by one point when Manual lost to the 1951 king, Clark County, 45-44 in the semi-finals. The Reds took third place in the state by defeating Whitesburg in the consolation.

"Barney" learned his basketball lessons well from the maestro, Adolph Rupp. He adapted the Kentucky guard-pivot offense to his Crimson's so well that Rupp branded them a "Kentucky in miniature."

## A.T.H.S. Student Council Represented at Conference

Chase Millsop, president of the Antioch Township High School Student council, and Gail Deitrick, junior representative, will represent council at a state convention of student councils in Chicago Friday and Saturday.

They will be accompanied by Principal R. E. Edmundson.

The convention will be held at the Congress hotel with the Evanston Township High school as host.

Each high school in Illinois is permitted to send two members of its council to the convention.

## Six Baby Foxes Caught, Mother of Them Killed Near Kufalk's Woodland

John Jimerson, 1329 Commonwealth ave., North Chicago, was successful in bagging two 6-month-old foxes in the vicinity of Kufalk's woods last week.

He returned last Sunday and caught four more by digging into the den.

The mother of the litter tried to escape and was shot. The bounty for her will be turned over to the Boy Scouts of America in Antioch. Four of the little foxes were turned over to an employee of Abbott Laboratories who raises them.

Foxes at large take a tremendous toll of birds and other animals, thus accounting for the bounty on them.

## Wilmot High District Votes 2-1 to Continue Building Addition Plan

Wilmot High school district voted 2 to 1 last Thursday night to go ahead with the construction of the \$400,000 addition to the school building.

On a proposal to stop the procedure of borrowing \$40,000 from the state to finance the project, the "no" vote was 888 and the "yes" vote 435. Counting all ballots, valid and invalid, 1,329 of a possible 1,500 persons voted.

Voting started at 8:30 p. m. at the school auditorium and continued until midnight. The meeting opened with the reading of the petition, and without much discussion the balloting started.

The meeting was orderly and the sheriff and five deputies present found no trouble of any kind.

Glen Facey, president of the board, and Arthur Bloss, Salem farmer who led the opposition, made no comment other than they were satisfied with the full expression of the district.

A. LaCrosse, Wis. firm of architects is already at work on plans for the addition, which calls for a gymnasium and several class rooms. An earlier vote was 255 for and 234 against the building proposal.

## Draft of College Men Delayed Pending Tests; Information Is Available

Information concerning the deferment plan for college students who demonstrate required aptitude or scholastic performance is now available to registrants at all Illinois Selective Service local boards. It has been announced by Colonel Paul G. Armstrong, State Director.

Drafting of college men has been delayed until spring pending the receipt of the test scores. Registrants may obtain from their local boards a bulletin giving full details of the new plan, including a sample of the Selective Service College Qualification Test by which aptitude for higher education will be measured.

Available also at local boards are application cards which college students desiring deferment must fill in immediately and mail to the Educational Testing Service, Princeton, N. J. The Testing Service, designated by Selective Service to administer the aptitude test, will advise each applicant of the date he will take the test—May 26, 1951, June 16, 1951, or June 30, 1951. The tests will be given at selected centers, mostly on college campuses.

Test scores will be sent by the Testing Service to the examinee's local board, which will consider the score in determining each individual's classification.

The plan is based on an Executive Order of the President, Colonel Armstrong pointed out. Selective Service conducts the program and can raise or lower the qualifications in accordance with military requirements for manpower. Furthermore, since the average age of students entering college is 18 years, men graduating four years later will still be available for service in the Armed Forces under the present law.

In addition to the qualification test score, the class standing of the individual registrant will also be used by the local board as evidence in determining whether deferment is justified.

## Henry Perry Dies In Elgin Tuesday

Henry H. Perry, father of Lester Perry of Round Lake, and a former resident of Antioch and Lake Villa townships, passed away Tuesday at his home in Elgin, Illinois at the age of sixty-nine.

He was well-known here, having lived most of his life in the vicinity, and was the father of Mrs. Ralph Clabaugh, also former residents. Funeral services are being conducted at Elgin and burial will take place at Avon cemetery, Grayslake.

Survivors are his wife, Gertrude; two daughters, Mrs. Ralph Clabaugh of Arlington Heights; and Mrs. L. J. Hughes of St. Louis Park, Minn., a son, Lester Perry, of Round Lake, six grandchildren and a brother.

#### Cancer Fund Here \$265

Latest reports show that Antioch has reached \$265 in the Cancer fund drive. The goal is \$350. Last year this village set a record for the state in per capita giving.

## Antioch Loses Opener To Wilmot High 6-1; Return Game Monday

Antioch High's baseball team lost a pre-conference opening game to Wilmot High there Tuesday 6 to 0. Errors, wild pitches, plus Wilmot's ability to steal bases accounted for the victory for the Wisconsin players.

Thirteen Antioch men went down through the strike-out route in the seven innings through the offerings of Benedict, Wilmot pitcher. He allowed but three hits.

Pregrener in four innings and Lubkeman who finished the game were equally as stingy, however, and allowed Wilmot but four hits. Rentner was behind the bat for Antioch and Brehm for Wilmot.

Wilmot will play a return game here Monday, and in the meantime Coach Scott will brush them up on their faults.

The conference season will not open until May 1 when the Sequoits go to Lake Zurich to play Elia-Vernon.

## Sixty Antioch Students To Take Part in Music Festival at Barrington

Sixty Antioch Township High School boys and girls will take part Monday evening in the annual spring music festival of the Northwest conference at Barrington.

The students will make the trip there Sunday afternoon for a two hour practice and then will return on Monday evening for the concert at 7:30 p. m.

Special directors have been employed for the occasion and the vocalists and instrumentalists will form one big chorus and orchestra in jointly presenting a program.

Each school has been practicing the numbers that will be presented on that evening.

The event is public with an admission fee.

## Brook and Other Bankers Will Discuss Services of Banks on Radio Broadcast

The Lake County Bankers Association will be on the air Tuesday, April 24 at 1 to 1:30 p. m. W. E. Brook, Antioch, president of the association and six other members who are cashiers in their respective banks will discuss banking services, types of deposits, difference between a State and a National bank, types of loans and some of the problems bankers have today.

Those taking part in the program are Mr. Hart, of Lake Villa; Mr. Crawford of Lake Zurich; Mr. Burgess of Zion; Mr. Wright of Libertyville; Mr. Chittenden of Grayslake and Mr. Payne of Wauconda. All of these men are active in the banking business and are well known to people in their various communities. Mr. W. E. Brook, President of the Bankers organization has prepared this program with his co-workers in connection with the Lake-Cook Farm Supply Company program "Co-operation is Strength" under the direction of L. A. Nordhausen.

At Condell Memorial Hospital Among the patients at Condell Memorial hospital last week was Mrs. Helen Facatte, Lake Villa.

## Cunningham, Garland, Vos Elected Trustees; Powles Called to Army

### Board Sets April 29 for Start of Daylight Savings Time

Edmund Vos and George Garland will take office next month as new village trustees and Murrill Cunningham will continue in that office as the result of Tuesday's election in which they had no opposition.

Vos and Garland both got 62 votes and Cunningham 61.

The board met Tuesday evening in canvassing the vote.

Serving as clerk was Clarence Shultis in substitute for L. D. Powles, who has gone to Florida on a week's vacation before going into the army airforce service.

Powles, a lieutenant colonel in the reserve force, has been ordered to report for duty May 1 at an Oklahoma field. It will be necessary for the board at its next regular meeting to appoint a deputy to fill his unexpired term.

The board adjourned its caucus and re-met Tuesday evening in transacting additional business. It adopted a resolution calling for the adherence to daylight savings time starting Sunday, April 29. This fits into the scheme of the metropolitan area.

The board will meet again on April 26 to establish license fees and transact other business necessary before the new fiscal year. It will begin a study of the budget for the coming year at the first meeting in May.

## Mrs. Edward Bachman, Of Felter's Subdivision, Dies After Long Illness

Mrs. Bird Bachman, 65, of Felter subdivision, died Sunday afternoon in St. Therese hospital following a lingering illness.

Born April 27, 1885 in Mauston, Wis., Mrs. Bachman lived in Chicago until 1939 when she moved to this community.

Surviving are the husband, Edward, one daughter, Mrs. Florence Johnson, Des Plaines, Ill., and three sisters, Mrs. Colestine Allen, Los Angeles, Calif.; Mrs. Frances Cook, Denver, Colo., and Mrs. Genevieve Hyde, Medford, Ore.

The funeral service was held at 1 p. m. yesterday at the Strang funeral home, Mrs. Therese Lewis read the service, with burial at Hillside cemetery.

## New Officers Proposed For Grade School P.T.A.; Dr. Geo. Callahan Speaks

Officers were nominated at a meeting of the Grade School Parent-Teacher association Monday evening at which Dr. George Callahan, Waukegan, gave an illustrated talk on his tour of the world.

Officers proposed are Mrs. Lloyd Murrie, president; Mrs. Homer White, vice president and program chairman; Mrs. Ernest Ott, secretary; Mrs. Irving Breakstone, treasurer, and Mrs. Maurice Kruzan, historian.

Dr. Callahan showed stereopticon slides of his trip in which he attended a medical meeting in Calcutta, India. While there he met Nehru, religious leader and follower of Gandhi.

The meeting Monday was in the new gymnasium. Hans von Holwede led the community singing and Arlee Cribb played an accordion solo.

Mrs. Robert Wilton reported \$64 was collected at the last meeting for the kindergarten room and too, many nice toys.

The P. T. A. will have a card party and dance in the new gymnasium Saturday, April 21.

## High School Golfers To Play Palatine Here

The golf season for Antioch High already delayed two weeks by bad weather, may open Saturday in match play with Palatine High at the Chain O' Lakes course.

Coach F. J. Perrigoue expects to have Andy Anderson, D. Kennedy, Bill Dunworth and George Masopust tee off as the start quartet, but Jack Nelson, Bob Wilton, Bill Drury, Bob Palm and one or two others will have a chance to replace any one of the four if they turn in consistently better cards.

## Methodist Building Fund Is \$20,239 at End Of Campaign Sunday

The Methodist church building fund campaign ended Sunday night with a total subscription of \$20,239.

Pledges to be received in the next few weeks are expected to bring the amount near the goal of \$25,000 set at the start of the drive three weeks ago.

Workers continued their canvass late Sunday evening in completing their lists of prospects.

Church school members given envelopes a week ago for filling with money earned during the week were contributed Sunday following the school session as the members filed past the altar. Gifts in this fashion totaled \$92.80.

The children reported interesting methods of earning their money. One youngster sold worms to fishermen; two other girls sold candy bars from house to house; still another child was paid for practicing her music lessons without being told.

B. G. Guillaume, chairman of the drive, expressed his appreciation to the workers and contributors alike for what he termed a successful campaign.

Work will be started soon on the construction of the addition to the church. It will house the church school.

## Mobile Chest X-Ray Unit Here Tomorrow For Service to Public

The Christmas Seal Mobile Chest X-ray Unit will be in Antioch tomorrow, Friday, to x-ray the chests of all persons interested in checking on their health, according to Richard Whitacre, member of the board of directors of the Lake County Tuberculosis Association, today.

These chest x-rays are free. Whitacre said, the annual sale of Tuberculosis Christmas Seals pays for this service.

No undressing is required, but men will be asked to remove their coats and empty their shirt pockets and women will be asked to remove jewelry or ornaments over the lung area.

The employees of the Regal China Company will be x-rayed in the morning and the unit will move to Main Street near Lake street from 2 to 9 p. m. Typists from the Antioch Women's club will be on hand to help with the clerical work.

## Wheatland Petition Said To Block Central Plans

Central School district in Kenosha county is said still to be tied up on its plan to build a new school on Rte. 50.

It became known recently that before the loan from the state to finance the building was obtained, Wheatland township asked separation from the district to be joined to the Wilmot and Burlington districts, and this must be decided before the loan can be made.

#### Cub Scouts to Entertain

A cub pack meeting is scheduled for 7:30 p. m. tomorrow (Friday) at the Scout house to which parents of the Cub Scouts are invited, Cubmaster Charles Cermak, announced.

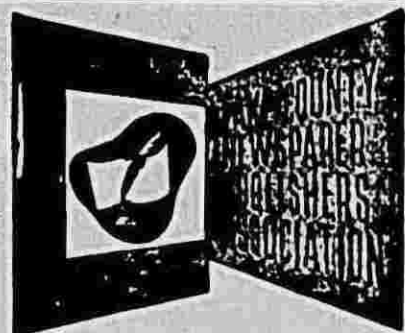

The subject of the month is railroad and the youngsters will provide entertainment on this subject. There will be movies and refreshments.

### Highways Are Not Expendable

The drive is now underway to stampede the states into permitting the use of their highways by trucks larger and heavier than those allowed by present laws, and the needs of national defense are often cited as a justification.

In the light of that, the opinions of experts are needed. Here, for instance, is what the president of the American Association of State Highway Officials recently said, "During World War II entirely too many high ranking persons assumed that our roads were expendable . . . A highway system cannot be considered expendable. It would not be possible to replace or repair it quickly, even if the costs in money, manpower, materials and equipment could be spared from other defense needs."

Sometime back the Commissioner, U. S. Bureau of Public Roads, said, "We are overloading our highways in their traffic volume capacity and in their structural capacity . . . The results are so costly both to individuals and to the public, that they total a disgraceful and extravagant waste in the nation's true economy." He also said, "Road damage caused by

overloaded trucks has in recent years grown to alarm proportions."

The fact is that present state laws regarding the big trucks are extremely liberal for the most part—and in some cases are excessively so. Every motorist has seen the tremendous damage these vehicles cause—and all of us are helping to pay the bill. In some states construction of needed new roads has had to be postponed because of the excessive cost of repair and maintenance of existing arteries. The drive to force the states to allow still heavier loads, at a huge additional cost to the taxpayers, should be stopped in its tracks right now.

### The Low Down From Hickory Grove

Knowing a smattering about kilowatts—having climb poles, fixed wires, and read meters from Galveston to Fort Wayne to Grand Canyon and Pudget Sound—I venture to tell you folks who have never hung around a powerhouse that funny things are going on in the electricity business. And in due course, if the fumididdles keep on—you will run a confused hand across a dubious brow, a few years hence, and wonder how it all happened. And then, at that time, I will say, don't look at me folks, don't blame me, I told you back there in 1951 that a camouflaged socialism was hidden behind the switchboard. You thought it was just your friend turning on the lights.

Now give heed, your very own cash mazuma is building these Govt. dams and powerhouses in all necks of the woods. The govt. says the dams are to prevent floods—it don't say how a steam electric station and of which the Govt. has built many, will stop a flood.

There is no hint of a good reason for the Govt. to barge in on power—build a 400,000 horsepower plant 'way out at Hungry Horse, Montana or a 1,280,000 horsepower station at Chief Joseph in eastern Washington. If you live in Indiana, or Rhode Island, or Kansas, or where, you should be irritated—it is your dinero they are playing with—but you get none of the kilowatts. Time to get up on your ear, folks, I say.

Yours with the low down,  
JO SERRA

in the 1/2- to 2-ton truck field!

TALK about power! These great new GMC's are unsurpassed in horsepower in the 1/2- to 2-ton field—power to keep hauling years longer! But new engines are only part of the story.

From the rims up, these GMC's are truck-engineered to stay young throughout the uncertain years ahead. You get proof in feature after feature from individual models—things like wider Twin-Action hydraulic brakes, heavier axles and longer "pillow-action" springs.

Yet extra quality is standard GMC equipment. You pay no "extras" for such things as easy-turn steering with recirculating ball-bearing action, the Ventipane-controlled ventilation of the Weather-sealed "Six-Footer" Cab-Turbo-Top pistons that develop higher power without "knock" even when using standard-grade gasolines!

So come in. Select from the widest range of engine-body-chassis combinations, 9 smart new colors. Drive out in a rugged '51 GMC! You'll know it will take you farther, cost less to run—because it's built to last like the big ones!

Get a real truck!

## SEEK G. I. BENEFITS FOR KOREAN WAR VETERANS

Extension of G. I. Bill benefits to veterans of the Korean fighting is being urged by the American Legion Auxiliary, Mrs. Walter Hills, Rehabilitation Chairman of Antioch Unit of the Auxiliary, has announced. The Auxiliary is working in support of action of The American Legion at its last national convention favoring inclusion of Korean War veterans in G. I. Bill benefits.

A bill to grant these benefits to veterans of the present fighting has been introduced in Congress by Representative Rankin of Mississippi and is before the House Committee on Veterans Affairs. Auxiliary women are urging early passage of the measure.

"Korean War veterans disabled in service already have been granted the same benefits as disabled World War veterans, but no provisions have been made for those who are not disabled," Mrs. Hills explained. "Since the fighting in Korea has been equal in hazard and hardship to the worst of the two World Wars, we feel that those who have endured the risk and suffering should have the same consideration as other war veterans."

## MRS. RADTKE CHOSEN PRES. OF LADIES AUX.

## CHRISTIAN SCIENCE CHURCHES

That true communion is not in ceremonial signs and symbols but in individual at-one-ment with infinite Love, with reformation and healing as its visible proofs, was explained in all Churches of Christ, Scientist, next Sunday: The topic of the Lesson-Sermon on Sunday, April 22, will be "DOCTRINE OF ATONEMENT."

The Golden Text is from I. Tim. (2:5,6): "There is one God, and one mediator between God and men, the man Christ Jesus; who gave himself a ransom for all, to be testified in due time."

Lesson-Sermon passages from the Bible (King James Version) include the following passages:

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities; the chastisement of our peace was upon him; and with his stripes we are healed" (Isa. 53:4,5).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"We acknowledge Jesus' atonement as the evidence of divine, efficacious Love, unfolding man's unity with God through Christ Jesus the Wayshower; and we acknowledge that man is saved through Christ, through Truth, Life, and Love as demonstrated by the Galilean Prophet in healing the sick and overcoming sin and death" (p. 497:19-19).

## Mrs. Hedberg, Lake Villa, To Preside at Meeting of County Catholic Women

"Presidents Day," an annual spring feature of the Archdiocesan Council of Catholic Women, will be observed throughout Cook and Lake counties when twenty districts meet between May 1 and May 25. The meeting for Lake County is scheduled for 2 p. m. Wednesday, May 2, at St. Bede parish, Fox Lake. Mrs. Richard Hedberg, Lake Villa, will preside.

Each president of a parish organization and of an associate affiliated club within the boundary of the district will report on the attainments of her group during the club year, Sept. 1950 to May. Accomplishments in the field of spiritual, educational, and charitable activities, Girl Scout, troop promotion and sponsorship, service participation, volunteer services for Red Cross and USO, and cooperation in ACCW's Decency Crusade for the protection of the morality of youth, will be noted by the lay leaders.

In keeping with the Council's traditional plan of featuring Mary, the Mother of God, is one of her titles in the Litany of Loreto, Rev. F. M. Flaherty, St. Peter's Church, Antioch, will address the representatives on "Queen of All Saints."

Special guests include the Rev. Thomas J. Fitzgerald, ACCW assistant executive director, and Mrs. A. G. Desch, Evanston, archdiocesan president.

The welcome will be given by Rev. J. F. Coleman, host pastor. The district vice president, Mrs. Anna O'Neill, 871 N. Oakwood, Lake Forest, and the host president, Mrs. Joseph Koutney, Pistakee Lake road, Fox Lake, are in charge of registrations. Mrs. Hedberg will report the year's activity for St. Peter's church.

## Financial Assistance To Educate Orphans of Veterans Now Available

Financial assistance for educating orphaned children of veterans of either World War I or II is available from the State of Illinois, the Illinois Veterans Commission pointed out today.

The state provides a sum of \$150 a year for children whose parent or parents were killed in service or died subsequently from service-connected causes. The money can be used for tuition, books, supplies or even board and room. On the latter the child can be living at home with the surviving parent.

Children must be between 14 and 22 years of age, and must be in high school (ninth grade) or equivalent to be eligible.

The funds for the present biennium (1949-51) end on June 30 this year so those parents whose children might become eligible before the final date should make application as soon as possible.

Service officers of the Illinois Veterans Commission have all of the particulars concerning this benefit and should be consulted for prompt action on applications.

In Lake county the IVC office is located at 228 North Genesee street in Waukegan, Illinois.

Mr. and Mrs. D. B. Baldwin, of Hampshire, Ill., spent Sunday with Mr. and Mrs. Frank Runyard at their home at Channel Lake.

## Antioch Women Invited To Republican Luncheon

Antioch women have an invitation to attend the annual spring luncheon of the Waukegan township Women's Republican club at Glen Flora Country club, 12:30 p. m. Thursday, April 26.

Mrs. W. C. Petty and Mrs. Louis Biel will attend and they announced they will receive reservations or membership requests. Reservations must be made by April 21. Sheriff John E. Babb, Chicago, will be the speaker.

## Antioch in Five-Team Field Competition Today At Palatine High Track

Antioch High School's track and field team was scheduled to compete with four other schools today at Palatine.

Besides the host school the opposition included Grant, Bensenville and Wauconda.

Bad weather continued to hinder practice and not much in the way of broken records is expected.

Wilmot High school will come here for a dual meet Tuesday and then the Sequoias will turn their attention to the Palatine relays Friday, April 28, where 30 schools will gather on invitation.

Contests here have been postponed or canceled so far because of bad weather.

Mr. and Mrs. Earl Pitman who have spent the winter in Florida, returned home recently.

### Furniture by Olsen Sets Saturday Afternoon for Grand Opening to Public

There is no furniture store as modern in Lake county or even in Chicago as that which Antioch people will see at the grand opening of Furniture by Olsen from 1 to 8 p. m. Saturday at 895 Main st.

A. Harold Olsen, Lake Catherine, himself a designer for stores, went all out in giving the village an establishment that will be an attraction in itself along with the national brand products he has for sale.

From the flasher sign and front of Roman brick to the rear of the interior where a six bedroom setting is exhibited to an advantage the store carries an ultra modern appearance.

The entrance is flanked by two tubs of evergreens with knotty pine walls as the background.

The interior is partitioned off with plant dividers in Roman violet. The egg-crate ceiling is in Swedish red, and the walls are in forest green with bleached mahogany panel. The ceiling is in blue-black.

One section of the wall has a 15x 7 1/2 foot photo mural of Reflection Lake and Mount Lassen National park, California. Another section has mirrors, while other sections have built-in mattress displays. There is also an attractive gift section featuring such items as candlelight eperguez and imported Chinese ware.

The very latest in modern furniture is included in the staple items. Names of the national known manufacturers of the products are announced in cutout lettering.

The store will be open daily except Sunday from 1 to 8 p. m. As the only one of its kind in Antioch, it will compete in the area on a cut-price basis because of low costs, Olsen said.

### Scott, Biel Elected To High School Board

Fred Scott was re-elected and Louis Biel was chosen for the first time as members of the Antioch Township High School board of education in Saturday's election. They had no opposition.

The Lake Villa precinct gave Scott 120 votes and Biel 111; Antioch gave Scott and Biel both 51 votes.

The board met Monday evening in canvassing the vote and transacting other business.

#### Antioch Scouts to Sell Tickets for Benefit Polo Match at Arlington Farm

Boy Scouts of the North Shore Area Council will launch an intensive drive on Monday, April 23, for the successful promotion of their benefit polo game at Arlington Farms here on Memorial Day.

A directive signaling this all-important event and calling upon all Scout leaders to organize vigorous ticket selling units has been issued from the Highland Park Headquarters by Scout Commissioner Robert C. Wright, of Antioch.

Explorers, Scouts and Cubs from 106 Troops and Packs are poised to swarm over the North Shore Townships and countryside in the area bounded by Lake Bluff, Antioch, Glenview and Wilmette. They will be armed with tickets for the grand opening of the 1951 season on May 30 at Arlington Farms Polo Club.

On that day, Owner and Captain Len Bernard will lead his Arlington Champions of the International Polo League against the powerful Milwaukee Club, winners of the 1950 United States 20 goal championship. Leading a brilliant half-time spectacle will be the famous Racine, Wis., Junior Drum and Bugle Corps. This band was crowned "Champions of Scouting" last summer at the Valley Forge National Jamboree.

#### Bowling Match Exhibit Results 1 point Margin In Favor of Berger's

When the scores were added up in the Berger-Linder exhibition bowling game at the Recreation lanes Saturday evening the Chicago team had won by just one point. The score was Carl Berger's 2,744; Linder's 2,743.

There was a fair crowd and the Red Cross fund benefitted substantially.

Several substitutes were sent by Berger's, but they were good bowlers. Walters of Linder's was high man with games of 190, 212 and 222, while Kemety of Berger's was high man for that team with 213, 190 and 202.

The visitors led at the end of the first game by 34 pins, and at the second by only 22 pins.

There are now three generations of the Radtke family barbering in the same shop in Antioch.

When Richard H. Radtke, 19, son of Mr. and Mrs. Maurice Radtke, 1015 Victoria St., recently completed his course in Weeden Barber college, Chicago, and took his examination Monday he took his place beside his father who has been barbering for 30 years, and his grandfather, Herman A. Radtke, a barber for 55 years.

The grandfather, now approaching 80, came to the United States from Germany at the age of 9 years and learned the barber trade in Lake Geneva. After a year's apprenticeship, bought the store of his employer, Homer Schwartz in 1890. Six years later he came to Antioch and established his shop in a room the shop now occupies at 912 Main st.

A druggist who owned the building, went to Phoenix, Ariz., for his health. He agreed to sell the building if he did not return at the end of three years to recoup it. He never returned, and the elder Radtke bought it.

In 1923 he turned the business over to his sons, Maurice (Cap) Radtke and Harry, and engaged in the real estate business, selling land in Brownsville, Tex., but helping out in the shop on weekends the 10 months of the year when he was not in Texas. In 1933 he returned to his barber chair.

Maurice Radtke, 48, was 16 years old when he learned the barber business. He was one of eight who learned the business from the teachings of his father, his brother Harry, included. Harry died 10 years ago and Maurice has been managing the business alone. His place is known as "Cap's Barber Shop."

State law now makes it necessary for a licensed barber to take his training at a recognized barber college. Chances are that Richard got no more instruction at the college than his father or his grandfather could have given him.

While there are now three generations of Radtkes barbering, the chances are that there are a number of third generations who have had barbering service from the Radtke family.

**FLAMING PROOF**

**The SAUCER TEST**

**SHOWS YOU THE DIFFERENCE IN GASOLINES!**

Gasolines definitely are not all alike. D-X is outstandingly different. Here's Flaming Proof:

When D-X Lubricating Gasoline and ordinary gasoline are burned in open saucers, ordinary gasoline leaves dry, hard carbon deposits. D-X leaves a smooth, oily, protective film. This film is the lubricant that is scientifically blended with high anti-knock gasoline in the manufacture of D-X. It is the "extra" that gives you extra protection.

**D-X Lubricating Gasoline**

**PROTECTS THE**

**FLAME ZONE**

Crankcase oil often fails to provide adequate protection to the power parts of your motor's "flame zone." For additional protection . . . at no extra cost . . . a lubricant in your gasoline is required—and D-X has it! The "saucer test" proves it! D-X Lubricating Gasoline also gives you quick starts, knockless power and long mileage. Try a tankful today!

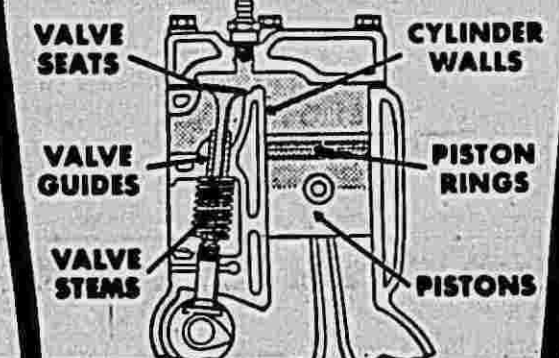

**D-X MOTOR OIL** with EXTRINOL

Is a Different Oil, Too! D-X contains Extrinol to help clean motors, protect bearings and fight sludge. It is tougher, safer and more economical. Change to D-X with Extrinol today!

## Uncle Sam Says

**MAKE A DONATION TO YOURSELF**  
—like putting something aside for the future—an investment in U. S. Savings Bonds. You don't need to own a factory to begin stockpiling, simply do it with U. S. Savings Bonds. And when it comes time to take an inventory, you'll agree that a pile of U. S. Savings Bonds makes one of the prettiest sights you ever saw. Your inventory will spell security for the future, and for now — no financial worry.

## Super-Smooth Landings

A new landing system makes it possible for elevator cars to land so smoothly that passengers can't detect the exact instant the cars stop.

## Horses

Horses being wintered mainly on coarse roughage are easy victims of digestive disorders, especially if their drinking water is icy cold.

**Lime for Gardens**  
Most vegetable crops do best on soils that are neutral or slightly alkaline. However, do not plant Irish potatoes for at least two years after applying lime because alkaline soils seem to favor the development of potato scab.

**"King of Timber"**  
In Africa there are many tribal names for the wood which we know as mahogany. The most common is "Oganwo" which means "King of Timber" and this may well be the original name from which our word mahogany is derived.

**Prospective Blind Men**  
It is estimated that 220,000 persons in the United States may become blind during the next ten years unless preventive steps are taken. Half of this number can avoid blindness if known methods of prevention are used, and others could be saved by additional visual research.

## Customers' Corner

A few years ago we had quite a few complaints about the delay at our checkout stands.

We worked hard to solve this problem by increasing and improving the stands and training our checkers to do a more efficient job.

Has this effort paid off in your A&P?  
Is there a minimum of delay at the checkout stand?

Our checkers strive constantly to be courteous, efficient and accurate. If you have any suggestions that will help them improve our checkout service, please let us know. Please write:
